

Announcement

Dear Ladies and Gentlemen

Please join us in welcoming

PETER JOHNSTON

to NephroCare Australia and New Zealand.

On the 1st October 2009, Peter will assume the position of Senior Operations Manager. He will be based in Milsons Point and will report to Grant Rudman, Managing Director, NephroCare Australia and New Zealand.

In view of our current NephroCare expansion and our exciting future growth plans both in Australia and New Zealand, this is a newly created role.

Peter has over 20 years experience in general management, extensive technical experience and operational management within a vast network of dialysis clinics in South Africa. We are delighted to be able to add Peter to our dynamic NephroCare Team and look forward to the incorporation of this knowledge and expertise into our team.

Please join me in welcoming Peter when he starts in October. We wish Peter good luck and every success in this new and exciting role and kindly ask you for your support, allowing him a smooth and quick start in our Company.

Yours sincerely

Grant Rudman
Managing Director
NephroCare Australia and New Zealand
