Do You Need Dialysis Education?

Enhance your skills with an Advanced Diploma of Dialysis Education for Enrolled Nurses.

Gain a recognised qualification under the guidance of skilled professionals.

TAFE NSW offers Enrolled Nurses:

- skills for dialysis care, practice and technologies
- specifically designed clinical competencies
- flexible hours and delivery options
- world-class teaching facilities.

Course commences 28 July for 12 weeks

To be eligible for the Advanced Diploma of Dialysis Education, nurses must be working in a renal dialysis unit.

For more information, contact NSI's Community Services and Health section on **+61 2 9942 3695**.
